Searching for Non-published Literature

RULA (library.ryerson.ca)
Our Library has a large amount of important reports by key organizations

- Search using keywords, or if you know the title or organization’s name.

Theses (Dissertations) and Faculty Research / Publications
Search RULA’s Digital Repository for student theses and Faculty Research and Publications.

- For Theses written by non-Ryerson Students, Try the ProQuest Dissertations and Theses Database. (You will have to authenticate with your Ryerson ID if you are using this product from home)

Use Google
Search using keywords or the organization’s name.

- Carefully evaluate the website to ensure it is the organization’s authentic site.
